

NSCC Serving Agreement

2 Tim. 1.7

God has not given us a spirit of fear and timidity,
but of power, love, and self-discipline.

We agree that serving our church family is an honor and a privilege and that we are given a joyful desire and power to serve by God.

All church staff, Elders and volunteers agree that we are empowered to love our church family and care for them in both our presence and our absence.

As I serve my church family at New Song Christian Community, I agree that:

I will never serve or attend while I am ill.

I will give the best advance notice I am able to allow others to serve in my place.

I understand that there may be times when my area of service may be suspended because others are unable to serve.

I will seek God's grace and understanding when services are modified.

I will pray for God's protection, wisdom and strength for all the people who serve in my church as we seek to honor God and one another by being personally responsible for loving my church family in my presence and my absence.

I will not hold at fault NSCC Leadership, Staff, or Church attenders if I become ill.

I will not hold at fault NSCC Leadership, Staff, or Church attenders if I am asked to defer my service or attendance due to illness.
